GIOVANNI BATTISTA FOGGINI

(FLORENCE , 1652 - FLORENCE , 1725)

WHITE MARBLE LIDDED VASE

GIOVANNI BATTISTA FOGGINI
First sculptor in title at the court of the last Medici
First architect and director of the Grand-Ducal Workshops

Italy, Florence
17th century
Marble

H. 66 cm - W. 60 cm *(26 in - 22 1/2 in)*

The attribution to Giovanni Battista Foggini was confirmed by Kira d'Alburquerque.

***

The great delicacy of the sculpture as well as the abundance of the ornamental vocabulary of our vase is absolutely faithful to the stylistic repertoire of its author - Giovanni Battista Foggini.

The Metropolitan Museum in New York preserves multiple drawings by Foggini with vase projects similar to our vase .
